**1923 - 2019**

Jane E. Welty, formerly of Camanche, IA, passed away October 15, 2019, in Cummings, GA, at the age of 96.

Jane was a founding member of the Sisters of St. Francis Associate Partnership Program, committing on October 5, 1986. Her husband, Roger, was also an Associate; he preceded her in death on May 10, 2011.

Jane and Roger were married on July 18, 1944. They had four children - Roger, Sandi, Ken, and Ted. Jane was a stay-at-home mom until the children were older, then worked at the Camanche Public Library until her retirement in 1982. She was also an advisor for the State Regional Library System.

When asked in September 2018 how living out the mission of the Sisters of St. Francis affected her daily life, Jane wrote, "This association has reminded me of the importance of being peaceful in the face of many other experiences which might push me in the opposite direction, especially with all of the national and global bad news. Being an Associate has enriched my life by keeping my previous intent for peacekeeping alive."
